

January 2018

**Heppy and Careers Guest Speakers at  
Outwood Academy Adwick Parents Evenings  
on 23 January and 17 April 2018**

The HeppSY Project is an exciting new project that is part of the National Collaborative Outreach Programme with an aim to increase the number of young people progressing to Higher Education. As part of this project, we have invited guest speakers to the Outwood Academy Adwick Parents Evenings on the 23 January and the 17 April 2018.

Guest speakers will be:

**16:00-16:30 and repeated again 17:00-17:30: CareersInc. - Presentation on Post 16 Career pathways.**

**16:30-17:00 and repeated again 17:30-18:00: Hepp – Presentation ‘Is it worth going to university?’**

There will be stands 4-7pm in the Student Entrance from CareersInc, Hepp and the University of Sheffield where you can ask the teams any questions on a one-to-one basis. Handouts will be available.

We hope you find these presentations and stands helpful.

In addition, we have created a Google questionnaire for parents/carers so that we can prepare our presentations on career pathways/Higher Education. The form has 7 questions and only requires ‘Yes’ or ‘No’ answers. It should only take a few minutes for you to complete. The link to the questionnaire is:
