

July 2019

Dear Parents or Carers

It has already been a fantastic half term with many events taking place such as; public examinations, Year 8 graduation, Kingswood residential, transition for our Year 6 students, arts showcase and the amazing celebration evening. The students' have been a credit to the academy and we look forward to celebrating many more student achievements before we break-up for the summer.

As of Monday 1st July 2019 our students' moved into their new year groups, and in doing so will have changed learning manager. This will be as follows:

Year 7 - Mrs Richardson (current Year 6 into 7 as of September 2019)

Year 8 - Mrs Westerman

Year 9 - Mrs Hill

Year 10 - Mrs Archer

Year 11 - Miss Sharpe

Year 12/13 - Miss Addy

Our learning managers carry out a vital role of supporting the pastoral needs of students and ensure they are on-track for excellent academic outcomes. Each year group has its own focuses as it progresses through school and we're confident this allocation of learning managers to year groups will best support our students at this stage.

Should you need to speak to your son or daughter's learning manager then please contact them on 01302 722237.

Can I also take this opportunity to further remind you of key dates going into September.
