

May 2020

Dear Parent / Carer,

I am delighted to inform you that your child has been nominated for an award at our Academy Celebration Evening. This is an incredible achievement and we are so proud of what they have achieved this term.

Due to the current circumstances, unfortunately the Academy cannot host an event. However, we will be hosting this evening online. The celebration evening will be held on Thursday 21st May from 7pm. A link to the video of the evening will be posted upon the school website & online using our social media platforms.

As part of the evening, I would like to take a photograph of your child with their award. This will be as part of the Presentation. Therefore, could you please complete the Google Form by using the address at the bottom of this letter. This will ask you if you will be virtually attending the presentation and if you give permission for me or another member of the Adwick staff to visit you to take the photograph and the times that you would be available for this photograph to be taken. All social distancing will be observed during our visit.

If you require any additional information, please contact the school.

Kind regards

Nick Tweedale

Assistant Principal

Please follow the link below to complete the Google Form related to the evening or follow the link on the school website.
