

September 2023

Dear Parents / Carers

We are delighted to share with you our Enrichment Timetable for the Autumn term. Here at Outwood Academy Adwick we have an extensive programme of after school clubs and activities that we are excited to share with you all in the hope that your son or daughter will have the opportunity to attend this term.

As you know, our school day finishes at 2.30 pm; however, the learning and personal development doesn't have to stop when the bell rings. We are proud to offer a wide variety of activities for our pupils to attend that will help them continue to grow as well-rounded and responsible citizens. These activities will enable your child to make new friends from outside their class or year group band, experience a subject outside of the curriculum and learn a new skill or hobby, or representing the school in competitions.

Our enrichment programme runs everyday from 2.30 pm - 3.30 pm. This term we have over 50 clubs that you could take part in; from 3D Art to Trampolining, there is bound to be something for you!

Should you require any further information please do not hesitate to contact me.

Yours sincerely

Mr Nick Taylor
Teacher of Maths and PE
